HAROLD BRAFMAN LEADER OF MICA DELEGATION TO ENGLAND

Mr. Harold Brafman, Superintendent of the Mica Department and Pilot Plant, was honored recently by being named leader of the United States delegation on Mica to the International Standards Organization meeting at Harrogate, England.

He was sponsored at the meeting held June 8 through 12, by the Mica Importers Association, the Mica Fabricators Association, and the National Electrical Manufacturers Association. About 1,000 representatives from various companies and government agencies attended this the fourth such meeting. Previous meetings have been held in New York and Paris, France.

The International Standards Organization is a technical branch of the United Nations whose main purpose is to work toward world standardization of products, man-made or natural. Mr. Brafman's group presented information and data to the worldwide Mica Industry for the adoption of visual standards to supplement written specifications.

He joined Sprague Electric in 1941 and has some 30 years experience in the Mica field. He represents the American Standards Organization and the American Society for Testing Materials of which he is Chairman of the sub-committee on raw mica products.

He is married to the former Evelyn Shapiro of Mt. Vernon, New York, and they have one daughter.

Operations. He graduated in 1941 from the Middlesex School and was a member of the Class of 1945 at Williams College.

He currently holds CAA commercial pilot, flight instructor, instrument, single and multi engine land as well as several ground instructor ratings.

He is active in community affairs, having served as president and director of the North Adams Chamber of Commerce, Chairman and Treasurer of the Mount Greylock Tramway Authority, and a member of the Advisory Board of the North Adams State Teachers College.

Robert C. Sprague, Jr. Heads Committee

Robert C. Sprague, Jr., has been named to head an industry-wide Walsh-Healey Committee for the electronic components industry.

Mr. Sprague's appointment as chairman of the committee was made by the Executive Committee of the Parts Division of the Electronic Industries Association, at EIA's annual meeting in Chicago, May 21-23.

The committee will act in behalf of the industry in connection with matters pertaining to the Walsh-Healey public contracts act, which applies in certain respects to companies engaged in government contract work.

Appointment of Mr. Sprague marks the second occasion on which he has been chosen to head an industry group connected with Walsh-Healey matters. From 1950 through 1952 he chaired a similar committee for the industry association, which was then called the Radio Manufacturers Association.

Active in industry affairs for the past several years, Mr. Sprague also has served as Director of EIA's Industrial Relations Department and Chairman of its Executive Committee.

He returned after June 13 to full-time service with Sprague Electric, having completed a year's assignment as a Sloan Fellow at the Massachusetts Institute of Technology's graduate school. Mr. Sprague received a Master of Science degree from MIT as a result of his work in the Sloan program.

Mr. Sprague is a Director of the Sprague Electric Company and is the Director of the Employee and Community Relations Division and Flight

The Suggestion Box

Ray Belding benefited to the tune of \$175 at the May meeting of the Suggestion Committee as \$235 was awarded to employees who submitted acceptable ideas. Ray's suggestion was to use a different type soldering method in the construction of one of the filter units.

Other awards for the month went to Kenneth Williams of Clorinol Assembly, Brown Street, \$35; and Leo Moreau of the Subminiature Stockroom, Beaver Street \$25.

John Winant to Head EIA Department

John H. Winant, Assistant Director of Employee and Community Relations, has been named as Director of the Industrial Relations Department of the Electronic Industries Association, the industry's trade organization.

Appointment of Mr. Winant to serve a one-year term was made by EIA's board of directors at the association's annual meeting in

1951, and a Master of Commercial Science Degree from the Amos Tuck School at Dartmouth in 1952. He also studied physics for two years at Williams College. Prior to joining Sprague he was employed by H. L. Crowley & Company as a production supervisor. A native of Evanston, Illinois, he is married to the former Doris B. Lang of Steelton, Pennsylvania, and they have two children.

James C. Balderston, Coordinator in the Field Engineering Department, joined Sprague in August of 1955. He received his Bachelor of Arts Degree from Dartmouth College in 1951, and a Master of Commercial Science Degree from the Amos Tuck School at Dartmouth in 1952. He also studied physics for two years at Williams College. Prior to joining Sprague he was employed by H. L. Crowley & Company as a production supervisor. A native of Evanston, Illinois, he is married to the former Doris B. Lang of Steelton, Pennsylvania, and they have two children.

\$8,400 IN SCHOLARSHIPS MADE AVAILABLE TO STUDENTS

Five promising area students were the recipients of scholarships totaling \$8,400 at Class Night exercises held recently at Drury and St. Joseph's High Schools.

The Company offers three Sprague Electric Scholarship Fund Awards of \$500 per year for four years. Two of these went to Edmond Benoit and Juris Zauls of Drury High School, and one to Robert Chouinard of St. Joseph's High School. The Company additionally awards an Engineering Scholarship of \$500 per year for four years and a Nursing Scholarship of \$400. These went to Edward Williams of Drury and Colleen Moore of St. Joseph's, respectively.

The Sprague Electric Scholarships of \$500 per year for four years are offered to graduates of local high schools who are employees or children of employees of the Company. The Engineering Scholarship of \$500 per year for four years is offered to graduates of local high schools who will enter an engineering or science course of study. The Nursing Scholarship of \$400 is awarded to a high school graduate who lives within a 25 mile radius of North Adams, who will be pursuing a nursing career.

The Company, in addition to the grants extended to students, gives to each college or university concerned a "matching" fund grant in an amount equal to that of the scholarship. These "matching" funds may be used by the institution in any constructive manner it wishes.

In addition, a co-operative Engineering Scholarship of \$500 is normally offered. This year, however, it was not granted due to the lack of sufficient qualified applicants.

Recipients for the awards are recognized for their scholastic ability, leadership qualifications, ambition, and need for financial assistance.

Mr. William J. Nolan, Vice President and Secretary, presented the awards to St. Joseph's students at Class Night Ceremonies on June 6th. The Drury award winners received their scholarships from John H. Winant, Assistant Director of the Employee and Community Relations Division, at Class Night Ceremonies held on June 12.

Mr. Edmond Benoit is the son of Mr. and Mrs. George E. Benoit of 48 College Avenue, North Adams. His mother is employed in the Company's Clorinol Department on Brown Street. Edmond graduated in the top ten, academically, of his class. He played intramural basketball while at Drury and was a member of his yearbook staff. To help finance his way through college, he worked part time at Nassi's Pharmacy. He plans to study Chemical Engineering at the University of Massachusetts this fall.

Mr. Juris Zauls is the son of Mr. and Mrs. Percy W. Zauls of 1551 Massachusetts Avenue, North Adams. His parents are both employed at Sprague. His father is an impregnator and his mother is an office machine operator. Juris served as Editor-in-Chief of his class book, participated in the junior and senior class plays and was elected secretary of the Hi-Y Club. In addition, he played varsity football and track and was a member of the Varsity Club. He plans to study Engineering at the University of Massachusetts in the fall.

Mr. Robert Chouinard is the son of Mr. and Mrs. Armand Chouinard of 138 Quincy Street, North Adams. His father is employed as a group leader in the Company's Etch House at Marshall Street. Robert is the Vice-President of the Greylock Sportsmen's Club and was a member of his school's Key Club. He worked part time to help finance his college studies. He plans to study Engineering at the University of Massachusetts this fall.

Mr. Edward Williams, Jr. is the son of Mr. and Mrs. Edward Williams of Heartwellville, Vt. Edward is salutatorian of his class in addition to being its Vice-President. His academic honors additionally include membership in the Nu Sigma (Sophomore academic honor society) of which he was president, and membership in the Pro Merito (Senior academic honor society.) He was also a member of the Hi-Y and Key Clubs. In addition to these activities, Edward participated in varsity football, track, skiing, and was a member of the Varsity Club. He will enter Rensselaer Polytechnic Institute to study Civil Engineering this fall.

Miss Colleen Moore is the daughter of Police Sergeant and Mrs. Thomas B. Moore of 425 Eagle Street, North Adams. Colleen was a co-editor of the high school newspaper, a cheerleader for four years and is a member of the Children of Mary Sodality. She plans to study nursing at St. Luke's School of Nursing in Pittsfield.

Editorial . . .

"Who's a competitor?" you ask. We say, "The Sprague Electric Company is, for one."

The Sprague Electric Company competes with other companies for a share of the country's business. Over the years it has worked hard to gain a lead in our field. One reason for our favorable position today is our success in adapting to changes in customer demands. The company was not content merely to continue to produce our old products. We added new products, pleasing a greater number of customers and growing in size as we did so.

"And each Sprague employee is a competitor, too."

Whether you realize it or not, you are in competition with someone doing a similar job in another company. The whole of any company's efforts is simply the sum of each individual employee's efforts. So, someone you never saw or heard of is working away, challenging your day's work with his. He is working for the success of his company as you work for yours.

"What is the reward for good competition?" We say, "Job security."

Competition is a continuing process. Yesterday's successes are now only foundations for future progress. New research and development, new management methods, efficient and skillful work by all in the company make a progressive, competitive-minded company . . . a good competitor who wins and holds public support of its products. Good competition brings a down-to-earth reward for both company and employee. It can keep our company in business and to us it can bring—job security.

"Bernie" Gilmore Named Foreman

The Company recently announced the appointment of Bernard Gilmore as foreman of its Solid Tantalum - Pilot Plant. He accepts the position after having served as a supervisor in the same department since 1956. He joined Sprague in 1949 and has additionally served as a Supervisor in Tantalum and F. P. Assembly.

"Bernie" is a native of North Adams, attended local schools, and graduated from Drury High School

in 1945. Upon release from the United States Navy in 1949, he entered Hartwick College in Oneonta, New York.

He is married to the former Flavia Gianquinto, and they have four sons.

ing with the Marine Corps Reserve. Before joining Sprague, Mr. Winant was with the Associated Press and with Winant and Company, and Lockwood and Winant, wholesaling firms in New York.

He has been active in EIA affairs since 1955, having served as vice chairman of its Manpower Committee for two years, and during the past year as Vice Director of the Industrial Relations Department.

3rd LOG Fishing Derby

(Left) Grand prize winner Bernie Belding, Jr. receives a fishing rod and spinning reel from Cedo Remillard. Bernie topped all catches for the day with a 13½ oz. Rock Bass. (Center) The proudest of them all for the smallest pumpkinseed (1/8 oz.) is Sandy DeGraff, daughter of Dorothy DeGraff of Shift Registers. Judges Cedo Remillard, Machine Shop; Jim Blair, Ceramics; John Davis, Filters; and Bernie Belding, Research and Engineering, all of Marshall Street, look on. (Right) Asking for a yardstick to measure his catch is Keith Ruhman. Cedo Remillard gets the tape measure ready. Keith is the son of Irving Ruhman of the Network Lab.

Displaying the hip boots he won for the heaviest perch (9½ oz.) is Eddie Bourdon, Jr., son of Ed., Sr. of the Warehouse. Making the presentation is Bernie Belding, one of the judges.

An estimated crowd of some 300 Sprague Employees and their families thronged to Hoosac Lake in Cheshire last month to attend the 3rd Annual LOG Fishing Derby.

The youngsters showed the adults "how", as they walked off with six of the eight prizes awarded. Leading the list with the grand prize for the largest fish was Bernard Belding, Jr., son of Bernie, Sr. of the Research and Engineering Department, with a 13½ oz., 10½ inch long Rock Bass. Other prizes went to Eddie Bourdon, Jr., son of Ed. Sr., of the Warehouse, Marshall Street, for the largest Perch, 9½ ozs. Gerry Dubois of Time Study for the largest Pickerel, 10½ ozs. Bill Kacjowski of Maintenance for the largest Bass, 11 ozs. Bernie Bourdon, son of Ed. of Warehouse for the largest Pumpkinseed, 10½ ozs. Lance Davis, son of John Davis, Filters for the largest Blue Gill, 6 ozs. Sandy DeGraff, daughter of Dorothy, of Beaver Street for the smallest Pumpkinseed, 1/16 of an oz., and to Teddy Briggs, grandson of Maude Gingras of Metalized Paper for the smallest Blue Gill, 1½ ounces.

In addition, gifts were distributed to all children under 15 years of age.

The unprecedented success of the affair is attributed to John Davis and his able assistants, "Cedo" Remillard, Bernard Belding, Jim Blair, Ray Belding and Lou Vincelette.

Hip boots and all, Billy and Ricky Cyrulik wait hopefully for the slightest tug on their line. Just as hopeful is sister Esther of Sales.

On their way to the shores to drop their lines are Stephen, Michael, and Colin Sacco. Standing by are Tony Sacco and Mrs. Sacco of Industrial Oils.

Waiting patiently for a big strike are Ralph and Jacqueline Boisjolie. Hopefully looking on is Dad, Ralph, of Dry Equipment Engineering.

Making preparations for a big afternoon of fishing are Donald and Yvonne Roy. They are assisted by their parents Don of Western Electric and Gladys of Tantalum.

SPRAGUE SOFTBALL

The Sprague interplant league is rapidly nearing completion of its first half, and is presently proving to be of keen competition, as the hold for first place has been like a revolving door. The Control Lab, defending champions, were off to a good start, only to have the door slammed shut by both the Management and Maintenance ball clubs in successive weeks.

The surprising start made by the Magnetics team has also shattered, so from all indication it looks like a close

battle will be on hand for the league leadership. Most clubs are well balanced and many upsets have occurred. All games are now being played at Noel Field and some interesting and fine softball is taking place daily.

HIGH SCHOOL BASEBALL

The Northern Berkshire league ended, as predicted, with Pittsfield winning the title with a 11-1 record. Many upsets occurred this year and topping the list was Pittsfield's lone defeat, that came at the hands of local St. Joseph's. Incidentally this is the second successive year that St. Joseph's has upset the champions.

Sparking the Pittsfield ball club to

its distinguished record were the trio of Lew Pia, Frank Constanzo and Ken King. Pia and Constanzo, both pitchers, had seven and four victories respectively without defeats. Ken King led his team with a sparkling .417 batting average and had a total of eleven RBI's, both of which were tops in the NBL.

The City tie went to Drury, who defeated their arch rival, St. Joseph's in both games.

The surprise team in the league was Williamstown, who ended with a 6-6 record to tie Drury for third place laurels. Williamstown displayed some good ball. Coach Fran Cardillo and his boys should be congratulated for

the fine job they have done.

Some of the interesting facts that occurred in the NBL this year were that Lew Pia, Frank Constanzo, both of Pittsfield, and Lou DeMayo of Williamstown, all pitchers, went undefeated. Top pitcher would undoubtedly have to be Lew Pia for he had a total of seventy-three strike outs while issuing only four bases on balls.

HIGH SCHOOL TRACK

Once again the Drury Track team compiled an excellent record, despite the fact that they were dethroned as Western Massachusetts Champions, after holding the title for the past two years.

Drury's only defeats came at the hands of a well balanced Springfield Tech squad. The first defeat came early in the season and the second in what proved to be Drury's unsuccessful bid to retain the Western Mass. title. Coach Rudy Benedetti's team should, however, be congratulated for the fine season they had.

Hi everyone. We are all sorry to see Angie Pontier, Eleanor De Santy, Pauline Dean, Bart Mayo, Marceline Poirot, Stella Maledo and Francis Cannon leave us on lay-off. Hope you will be back working with us soon. Also at this time we are glad to see Stella Charbonneau and Clara Lescarbe back working on the line. Nice to have you back girls... What would happen at afternoon break if Clem Mossolani and Mike Gamari would stop arguing? One never knows who is the winner in the end... Very nice of you Frank Goloski for thinking of us girls. We all enjoyed the chocolates, Frank... Evelyn Morton spent her vacation at home, as also did Mary Cook... What happens to Clem Mossolani's pipe every now and then? It just seems to disappear, but no matter where it goes, Clem always seems to find it sooner or later. Ag and Howard Houghton celebrated their 36th wedding anniversary June 14th. Congratulations to both of you... Also on June 14 Roz and Louis Vincelette's son Paul celebrated his 14th birthday. Incidentally Paul is Ag's nephew. Happy birthday Paul... Yours truly once again is being "maid of honor" at the wedding of Florence Mariel a former co-worker from the Bathing Assembly of Beaver Street. Good luck to Florence... Tom O'Neil is busy these days traveling from college to college trying to find the proper one in which to enroll his daughter Barbara, who graduated from Williamstown High June 11th.

Best of luck to you Barbara... Dolores Davis and husband Wayne attended graduation exercises at West Point, N. Y. where her brother Cadet Charles A. Miller, who was formerly employed in the Formation Dept. in 1953, graduated on June 4th. On June 14th Dolores and husband Wayne again traveled to West Point to attend the wedding of Lt. Miller to Capt. Kathryn Koenig, A.N.C. which took place at the Holy Trinity Chapel. Good luck to both of you.

We would like to welcome Russ Yarter into our department. Hope you make a lot of friends Russ, with your good nature you can't miss... The Sprague LOG had their annual fishing derby recently at Cheshire Lake. Prizes were won by many including Marie Dargie's two children and her husband. Everyone had a good time... Walt Kondej was down to see his favorite team play and came back all smiles cause they're in first place—the New York Yankees, of course... Harold Brown was on vacation and he and his son fished at Lake Champlain and other fishing areas and both had tremendous catches... See you next issue!

Our congratulations go to Red Lewitt, who was recently promoted. He is working in High Quality. Well baseball is sure underway, although some men don't know enough to quit while they're ahead, right, Guido?... Lil Flaherty has a good time during baseball season, I guess all three of her sons are real good at it. It sure takes a lot out of Lil though, even if her pitching is pretty good... Well, before closing we all want to say we are glad to see our co-worker Susan Landy out of the hospital and on her feet again... So long until the next issue.

So long to Helen Murphy and Albina Burdick who were laid off. Would rather say Welcome Back, we miss you... Lucky Frank Goloski hit the jack pot. Good for you Frank. Thank you for the delicious chocolates. Yours truly had fun passing them around. No one gave a thought

to their diet or how many calories each chocolate contained... Alfred Folino, as happy as a lark, is all settled in his new apartment on Wells Avenue. Al spent his weeks vacation painting and moving... Madge Taft is spending her two weeks at home doing odds and ends and resting. Come back Madge smiling and looking as chic as ever... Annette Hinkle looks like a lonesome little petunia working all by herself. (Patience Annette) work will be picking up and our coworkers will be back to keep you company... Mary Citrella will spend her week's vacation planting her vegetable garden... Yours truly had a grand time at the Springs with the girls from the L.C.C. line and Networks. Next stop—Crane Inn!

Hello again. Everything here is about the same. Charlie Cyr bought a new car which he is very proud of. He keeps his eye on it all day. Don't blame you. Hub caps cost a lot of money these days. Well there's lots of talk about big fish around here. I haven't seen anything bigger than a sardine and that was in a can. So there you are. Pat DeMarco got a nice car but that hub cap that is missing sure doesn't improve it any. Well, bye now.

Hi everyone. Not many of us left but we are hoping for better things to come. Mary Cooney spent a week of her vacation at home recuperating from a week end spent in New York. Mary says, "that's really living". Oh for a month of such luxury... Dorothy Lowe and Mary Cooney have been transferred, but just around the corner, and we're hoping it's only for a little while... Lydia Spooner is on nights and misses everyone, especially her side kick Esther Poplaski. Lydia also misses being able to see her son play in the Little League games, so she's hoping we get a big rush and need her real soon... Dottie Baker supplied us all with collie puppies and the big question of the day is who has the girls and who has the boys.

Welcome to Julia Morin, Esther Prendergast, Merida Baldassarini, Angie Granger, Sadie Mercier and Maude Waska. Hope you can put up with us girls... By the time this goes in to press Catherine Bergeron will be on her way to Iowa to visit her daughter and family for two weeks, and Nina Rondeau will be in Altmar, New York taking care of her new grandchild... Margaret Malone had the pleasure of going to Holyoke recently with the Retreat of St. Francis Church... Welcome to our new foreman, Leonard Lewitt... Well folks, guess that is all for now. See you next month.

Well June is busting out all over, and your pee-cking reporters are back again. It hardly seems a whole month has passed us by once again. Things are about the same in No. 679, nothing much ever changes here... Tubby Bianchi finally received his long awaited top for his convertible. We had a welcome visit last week from Evelyn Davis who is on leave, she came to show us her new son Danny who was two weeks old at the time... Harold Shore also visited the room recently. He still has that old bounce in his walk, and looks half and hearty. Keep it up Harold... Congratulations go out to Tubby Bianchi on his recent promotion to general supervisor. Hope you like it Tubby, and the best of luck goes with it... Bessie Paradis has moved from her home on Rand Street to her summer home in Savoy... We hope that our Foreman John Muldowney enjoys his vacation. Also Bill Drury and Lillian Trombley are taking their vacation... You sure can tell that summer is here, just to convince you, here are a few things we have noticed in our Department: Bessie Paradis—has a new summer hairdo Bill Drury—has Spring Fever Dot Shea—has a new pair of white shoes

Pictured above is Carolyn Scavo, daughter of Mr. and Mrs. Joseph Scavo, and niece of Lucy De Pari of Western Electric, Marshall Street. Carolyn is a student at Bay Path College.

Clem Alt—new summer sport jerseys Dot DeSanty—new summer cottos Lil Trombley—baseball fever Mary Santelli—the gleam in her eyes Rose Vareschi—replacing winter drapes for summer gay prints Lil Babcock—more wedding cakes to make Vivian Montgomery—Discussing ruffled curtains and a new linoleum Bernie Tatro—thinking about swimming Louis Lillie—weeding his garden and picking his strawberries We want to welcome back to the department Clem Alt who is back with us after his recent operation. Sorry to see Mertie Bishop, Eileen Leeming, Florence LaFreniere, Mary Provost, Walter Martin, Henry Simon and Bernard Barbeau get laid off. Hope to see you all back soon... Well I guess that is all for this month.

Vacations are with us again. Gerry Giusti is spending hers at home, housecleaning and preparing for her daughter's wedding. Gerry and Irele Garello are new mamas-in-law. Our best wishes to both of the young couples... We miss you Rocky Trimarchi. Please come back on days... Mary Satko has planted so many flower seeds this spring that we are sure she will be selling flowers by the end of the summer. She got so excited that she dreamed she was planting Hershey bars... Hello Kate Patter-

son, who is on the sick list. Hope to see you on the Boston Store corner real soon... Dot and Alex Baker have bought a farm on Florida mountain. We think Carrie Wojtaszek must be selling our sections. She comes in each day for "just one more"... Connie Bush received some money for Mother's Day to spend as she wished. She bought 2 pair of lovely unmentionables... Bea Marsh spent her vacation ironing and housecleaning... Eleanor Alibozek has a new fireplace in her backyard. We'll all be down for hot dogs soon... Olympia Gajda has moved into her new house. Hope you are as happy as you were in your old one... Eleanor Alibozek says that it's not the same and, many times she wishes she were back in her old one... Did everyone see those lovely African violets that Sarah Brown brought in? She certainly has a green thumb... We are glad to hear that Irene Perreault's Siamese cat is feeling fine since its trip to the hospital... Lucille Miller was very pleased with the May basket given to her by her co-workers... We wonder who Jim Higgins is looking for as he gazes out the window mornings... If you'd like to hear an interesting story about a thermos bottle, ask Rita Rosch... We are very pleased to hear that Joey Pitoniak has won a trophy for boxing and his sister Pat has made

This handsome lad is Arthur Fournier, Jr., son of Rita, Industrial Oils Rolling, Brown Street, and police officer Arthur Fournier.

the honor roll at her school in Dalton... We called on Francis Pitoniak recently to see her new daughter, Martha. She is a little doll... Rachel Champney was enjoying her original bath with its long feathers until she met another one on the street. You're right, the same hat... We thought we'd seen most everything but as we strolled down River Street, there was Laura Roy mowing her lawn with a pair of scissors. She has two big blisters to prove it... Helen Williams believes in looking very closely at things. Her son's girlfriend asked her to look at her suit in a box. The next day at work Helen couldn't find her glasses. That's right, she looked so close, she lost her glasses in the box and the girl had to return them later that day... It was very quiet around machine No. 6. We couldn't figure out what had happened, then we learned that Flo Dupre had lost her voice... Helen Williams liked her collie puppy so well that she fed her pabulum with a spoon. Well, it's time for me to hang up for now. See you again next month and let you know the latest.

Metal Clad Assembly

by Lillian Gainer and Ada Blair

Hello once more from Ada and Lillian. To plunge into this month's departmental news, we shall start off with the gay and colorful stork shower given on May 23rd at the home of Marie MacDonald for our own Dorothy Carden, one of our supervisors. Games were played and prizes were won by Margaret Gyrasz Agnes O'Grady, Alice Roberts, Dot Carden, Dorothy Blondin, Edna Michalski, Corinne Button, Beverly Daignault, Alda Roy and Dot Sprague who was a double winner. We so enjoyed the lively conversation and laughter of Yvonne Fountain, Marion Marceau, Virginia MacDonald, Theresa Dube, Mary Blair, Jerry Besette, Pauline Barrett, Lillian Gainer (may one of your reporters be allowed to toot her own horn a bit), Josie Johnson, Rose Bard, Alyce French and our two former inspectors Helen Bryce and Louise Bass. A most delectable luncheon was served by the two hostesses, Marge Barry and Maria MacDonald who certainly know how to entertain. Dorothy received many lovely gifts and quite a surprise gift from "Steffi" Stefanopolis now in New Hampshire and is this going to come in handy, Steffi. But the real queen of that party was Miss Hilda MacDonald, ten month old daughter of Maria and Clyde. ...Pauline Barrett was happy to receive a phone call from her daughter Zane Charron who lives in Warwick, Rhode Island informing her mother that she, her husband, and their two children were going to motor up for a week-end visit. ...There is just no holding down our stock clerk Ada Blair who starts her two weeks and a day vacation just after the Memorial Day week-end. ...If anyone is wondering who the fisherman is that stands so patiently every noontime along the brook just above the Beaver Street plant, I suggest you ask Bernie O'Neill. ...Ann Canzano is recuperating just splendidly at home from her recent throat operation at the local hospital. Glad that Margaret Fitz-

gerald's stay at the hospital only involved observation and X-rays. ...Wondering what is being accomplished at present by every busy, ever adept hands of Ada Dion. Can that gal turn out the finished product. ...We were very sorry to bid a fond adieu to Marge Barry, Gladys McBride, Betty Chevalier, Ann Marriott, Ida de Grenier, and Sophie Bombardier who were laid-off. ...Seems as though Tuesday has become a very "special" day for Edna Michalski, Beverly Daignault, Margie Barry. Better known as "The Tuesday Holiday" our three travelers just start that day off with enjoyment, fun, movies and gaiety in mind and seem to be doing alright on that score. ...When Edna and Marge start taking driving lessons run for the highest spot you can get to. ...Jerry Besette is very proud of the fact that her youngest son, David, is making his First Communion. ...Rose Blair received one of those famous "Cup Cakes" anniversary cake complete with a lighted candle in each cup cake from a few of the girls on her 24th wedding anniversary. ...Helen Baxter and her husband went down to Boston on May 26th to attend the graduation of their son Harry from Andover Newton Theological Seminary at which time he received a Bachelor in Divinity degree. He has also been graduated from the Eastern Baptist College in Penna., and is expected to be ordained in September into the Baptist Ministry at which time he will have been assigned a church and will receive the title of Reverend. ...Sorry to learn of the illness of Frances Harrington's mother. Hope she is much improved and will make a speedy recovery. No one needs to tell us the happiness that Claire Daniels is experiencing with her new son Edward, Jr. ...Grace Dupuis had a most enjoyable week-end when she traveled down to the University of Mass. in Amherst recently to visit her son and daughter-in-law, Mr. and Mrs. Donald Trahan who both teach at the University. You certainly can tell that our foreman Chuck is a family man, especially when you see a couple of little Mulcahy's tagging along after Daddy. Happiest first anniversary congratulations go out to our pert and saucy inspector, Marilyn Daub and her husband Roger who were married June 29th of last year. ...Lillian Gainer got quite a kick out of the fishing catch of her five year old godchild, Debbie on her first venture into the land of Isaac Walton, where she was accompanied with "Uncle Frank". ...Hear tell that Mary Bennett has some great plans for enjoyment at the family's camp up in Seaburg. ...It appears as though Millie Curti's 3 year old daughter has discovered a new beauty application in the form of a 3 pound can of Crisco. P.S. Millie was able to salvage half of that for the purpose of cooking. ...If you ever go over on Veazie Street and see a heated baseball game in play don't think that the Boston Red Sox have come to town, its only "Auntie" Susan Pollone giving her nephew Ralphie and the other baseball leaguers one hard time trying to get her out of their game. ...Want to know who has all the beautiful ear-rings? — ask

Ruth Lewis, formerly of the Tantalum Dept., is the proud mother of these four happy children. They are, William 12, David 10, Catherine 8, and Bruce 6. Their uncle is Jim Lewis of the Tantalum Check Inspection, Marshall Street. All four are students at Brayton School.

First of all I would like to welcome Cecil Mikuszewski back from her trip to Florida. You have a wonderful tan Cecil and from the snapshots we have seen of the hotel on the beach we can understand how you got so brown. Speaking of trips and vacations Alice Senecal is taking one week of her vacation, and our foreman Chuck Wilson and family are motoring to the Pocono Mountains. Hope you have good weather. On Sunday, May 25th your reporter and family journeyed to Randolph, Vt. where Bonnie Bryce finished second in the Vermont Dairy Queen Contest which made me very happy. Walter Gould and Ralph Blood are braving the wilds of Heartwellville on a fishing trip. Sure hope you catch a lot of fish and all the stories you tell us aren't just tall tales. Ethel Sakowski just bought a new home in Savoy and is impatiently waiting for the day to come when she can move in. Good luck Ethel. Best wishes to everyone having a birthday or anniversary, and hope anyone on the sick list is feeling better.

Congratulations to Doris and Allan McPherson on the arrival of a baby boy on May 19. We bid farewell to Ginger Mulcahy and Margaret Bobowiec. Ginger has left to await the stork and Marge has left to move to Somerville after her marriage on June 7th. Both girls were presented a purse of money from the girls in the office. Among the new faces in the office we find Carol Richards, Jeanette Clairmont and Eleanor Millman. Carol has taken over Eleanor Dobbert's position in the order office while Eleanor has replaced Ginger Mulcahy. Jeanette Clairmont is working for Paul Fern and Eleanor Millman is now secretary to Bill Carlson. We are really glad to have all you girls working with us. Margaret Bobowiec was feted to a personal shower on May 25. Games were played and most of the prizes were awarded to Barb Belding. Margaret received many beautiful gifts. Everyone in the office is admiring Marie Ziemlak's diamond which she received as an anniversary gift from her husband on May 25. It is really beautiful, Marie. Madeline Rougeau spent part of her vacation visiting Patty Bohl in Agawam. Patty was employed in the order office before her marriage.

Bish Guyette needed worms recently to go fishing, but I noticed that Mike Costal did the digging. Bill Davis has all his buttons sewed back on, after popping them at the birth of his son. Danny is his name. Benny Lanco has finally shook off the gimp in one of his legs. Glad to see six or eight of the boys being recalled back to work. Art Hewitt is back after his recent vacation which he spent making fire places. I think if Louis Segala had gotten any closer to Chuck Senecal while he was painting, he would have been a part of the project. If Leonard Couch doesn't watch his calories he will be as wide as he is tall. Morris Jepson has returned from his vacation, which was spent at home.

June is the month of Brides. We dedicate this month to all the new brides and brides-to-be of 1958. We have two brides taking their vows this month. Dot Wolkowicz became Mrs. Lawrence Lauth on June 7th and Ruth Fountain is nervously waiting to become Mrs. Ray Well-speak on June 24th. Congratulations to both of you and lots of luck. Both our newly-weds, Helen Tatro and Rosalie Randall have returned from their honeymoons. Helen and her husband traveled to Virginia, they also went swimming at Virginia Beach and went shopping in Richmond, along with the sightseeing. Rosalie and her husband went to Niagara Falls. They went shopping and sight-seeing also. Nancy Kelly has been transferred from our office to Check Inspection. Even though she was with us for so short a time, we all miss her. The welcome mat is out this month for Ivis Lewis who has been transferred here from production. We hope you enjoy working with us. We also want to welcome Joan O'Neil who has been transferred here from our Brown Street office. It is good to have her back. The Fishing Derby was held May 17 at Cheshire Lake and many from our

office attended, but it took Lyle Blanchard's daughter Lee, to come home with a prize. We wish to congratulate one of our former co-workers on the birth of a baby son May 6. Congratulations Rosemary and Eric Williams. Joe Brewer is our proud father this month. His wife, Ruth, gave birth to a baby boy May 1. Bob McPherson, Ernie Purpura and Rita Chenail took vacations this month. Our get well wishes this month go to Bert Quirk who was out for three weeks with a broken wrist, and Chuck Blouin who spent a few days in the hospital for observation. We were glad to see them both looking better. Denise Beauchemin has a new beau these days. A certain "Vinny" from Williamstown. One of our former co-workers, Jane Boucher is doing nicely in the Air Force. She sent your reporter Eileen Brown, a letter asking about all of you. Jane would like to hear from all of her friends. Her address is A/3C Mary J. D. Boucher AA8113848; 3277th. Stu. Ron 3275th Tech. Tng. Lackland Air Force Base, Texas. Ginger Duda was a little depressed lately. Her boyfriend, Al Stavski, underwent a major operation at the Adams Hospital. We all hope he feels better. Elaine Decker and her boyfriend Don Jagiello bought a 1956 Ford, powder blue. But watch out, she still has that 1950 Mercury to hotrod in. Ronnie Hopkins took a vacation the first week of June and just went here and there, but no place in particular. Eileen Brown still hopes

to see a baseball game at Yankee Stadium and not in the rain.

Our girls have begun to return to work after being out for quite a while. Welcome back to Ellen LaFleche and Rose Mazzotta, it sure is nice to have you back. Our foreman Frank Gassett enjoyed his vacation recently. That's two weeks gone Frank, I hope you enjoyed them. It is a long time until next summer. There isn't much news lately, with only a few of us and nothing has been happening. Now with warm weather let's get together and make news. Mary Roberts did get to Florida for three weeks. Lucky girl. She came back as tanned as possible and very happy and rested. After seeing her we all want to try it.

Warehouse

by John Buchanan

Yankee Doodle Collins, navy veteran of Warehouse No. 15 whose interest in sports in the winter has run high in basketball, is now a member of the Machine Shop Softball Team, on which he holds the new and distinguished position of left tackle. For a young man of his size, his low blocks and his waist high tackles on fly balls are a sight to witness. His persistent whistling of Yankee Doodle on and off the field, we figure, should give him another letter in — MUSIC APPRECIATION.

Myrna and Don Harvey attended the Clarkburg PTA banquet at Petey Dink's on May 24, and espy Ken and Joan Haskins making merry at a party of their own (Ken's Class of '48 having their 10th anniversary reunion)... Let the cold winds blow, let it snow, Joe LoPresto has his white-with-red trim V-neck sweater, made by clever spouse Marilyn to keep him warm... The happy travelers are still at it, Marilyn Soha to Newport and Boston; yours truly to Worcester and Marlboro; George Ferran to Chicago; Ken Haskins around the golf links; and Mr. and Mrs. William Adams around the world... Bertha and Joe Richards had an enjoyable dinner celebration for their 20th wedding anniversary on May 18, as guests of their three sons... Welcome, Rose Richard, to the bespectacled gentry. Must admit those blue frames are attractive... Look for this name in the news—Donna Segala, who was in a Dance Recital on June 7... Jean Gardzina speaks "Cheer up, vacations are almost here"... If it purls like a kitten, it must be the new '51 dark blue Ford at the Richard's home... Yvette of the black and silver poodle variety, is lost, last seen on a fishing trip with Norm Davignon at Monroe Bridge. Continued searches fail to find her. If she does the cancan that's Yvette, please tell her Barbara Puthoff would like her to come home.

partment after his graduation from Williams College in June. We all enjoyed working with you and hope that you will also be happy with your new position across the hall from us... Mr. Podolsky and his wife spent a very enjoyable vacation in Hawaii. While there, they toured some of the islands and spent time at several beaches... Esther Cyrulik recently spent the weekend in Amherst to attend the graduation exercises of her fiancé from the University of Massachusetts. We understand she had a very nice time... Gloria Thibert spent the weekend in Boston last month attending the prom at Northeastern University where her boyfriend is studying. I know she must have had a wonderful time... Bev Mondia was maid of honor at Jackie Langer's wedding. Getting into practice for yours Bev? From the snapshots we saw, you sure looked nice... Many of the girls have been wearing their new chemise dresses. Marion Segalla and Nora Sealise being no exceptions. They're real sharp Marion and Nora. And Kay Ryan also looked real sharp in her two cute chemise blouses that she has worn to work lately... See you all next month.

ing: Adeline Roy and Pearl Dubreuil—a drive-in theatre all their own! Phyllis Lapine—a lake filled with trout in her backyard; Daisy Kuczenski—a carload of pencils, especially red ones; Betty Jangrow—a sound-proof room so that she can sneeze to her heart's content; Madeline Januski—more pretty blouses like the ones she wears now; Evelyn Prystas—a nice long roomy highway all her own. (She just received her license). Congratulations Evelyn; Josephine Piantoni and Doretta Blanchard—more grandchildren, (with a little help of course); Belle Mahar—a little car to jump into whenever the phone rings at the other end of the room; Bernadette Jones—a heaping jackpot to make up for the ones she lost; Ray Lopardo—all the motors he needs. Any-one have a 1932 motor? If so, see Ray!

Our vote for one of the most exciting vacations of the year, goes to Gerry Macchia, who spent two weeks at the Caribe Hilton Hotel in San Juan, Puerto Rico. She reports that it was simply "fabulous"... Florence Gross and her husband spent Memorial Day week-end in New York City. They paid a visit to the Latin Quarter and also saw the Broadway hit "Lil Abner"... Mr. John D. Washburn attended the graduation of his daughter Anne, from Skidmore College on June 8th. Congratulations and best wishes, Anne.

Jerry Coutu, Check Inspector at the A.C. Department who has always been interested in water sports, has decided to join the Yacht Club at Boston. She spent the first week of her vacation learning to sail and the last week visiting historic points of interest at our National Capitol at Washington, D. C... By the way Lil Grande is making use of her driver's license as her first week-end "Pete" and Lil sped away to Canada and attended the Beagle trials at Hemmingford, Canada at the Ta-I-Ho Beagle Club. They stayed at the Club House and enjoyed real Canadian hospitality. Anyone spending even a short time in Canada will agree that the treatment the Americans receive there is Royal... Jim Lewis took advantage of the holiday week-end in New York City... Peter Rancatti spent a few days fishing at Lake Champlain while on his vacation... Your reporter accompanied Pearl Dubreuil to Boston the first experience for both of us by car to that city. Sure had fun... We welcome Stella Zieminski to our Check Inspection group; Stella formerly worked at the Beaver Street plant. Stella's son Robert is a member of the graduating class of Adams Memorial High School and will attend the University of Mass. this Fall. Robert was the Captain of the 1958 baseball team.

Once again Sprague Products is on the newsstands. Here is a brief summary of the latest news that made headlines in Spradco... The bells will be ringing this summer for Fran Baran, Barbara Simon and Priscilla Jones. Lots of luck on your life long vacation, girls... The welcome mat was put out for our very own Do (Herman) Hurd on her return from California. Glad to have you back on the job. Also for our newest victims who joined the force, Jackie Anderson, Al Bourassa, Joy Dempsey, Helen Scannell and Jean Lanco... Fran Kelly is once again able to get a good look at the world, this time thru her new rose colored glasses. Now Fran, let's get those orders out... On the sick list we have Peggy Brule and Anna Moors. Hurry and get well, we all miss you... The stork recently paid a visit to Sprague Products, leaving a girl for Ken Blanchard and a boy for Connie Thomas. Congratulations!

The Memorial Day weekend saw Tony Falco, a sergeant in the Tank Company, riding in the parade at Springfield. Frances Dami enjoyed a visit from her grandchildren who live in Conn. Martha Lewis enjoyed a family picnic at her daughter's camp at Hoosac Lake. Billy Currant started his vacation Memorial Day by leaving for Val D'ar, Quebec, Canada on a fishing trip. Bill is still our No. 1 fisherman. Henrietta Senechal took her grandson, age 2, fishing. George Paquin spent the holiday week-end working on his house. On June 8th he was the installing President at the Franco-American Club in Pittsfield. This club includes members from Hampden, Franklin and Berkshire Counties. On June 20th he will be chairman of the Notre Dame P. T. Group's annual picnic at Trudeau's Grove... Tony Falco took a week of his vacation to get settled in the house he just purchased. He says his children love the house and yard... James Sherry, son of Grace, and nephew of Marie Lemoine visited Marie in this department recently. James is a graduate of St. Francis Xavier and is working in the lab... Congratulations to Joe Morin on the award he received for his suggestion. Speaking of Joe Morin, a word about the bargain he got recently. Joe, a bachelor, saw a real good buy while shopping one week-end. Three towels in a package for a dollar. He says he nearly bought five dollars worth, the colors were so pretty. He is glad he didn't though—when he arrived home and looked at them again he discovered they were "Receiving Blankets"... Jane Lanzo enjoyed her vacation at home this year... Altie Jillson and George Lord are also vacationing. George took his in sheer defense. After his recent baby sitting chores he wonders how parents manage to survive... Bertha Roy visited her sons Kenneth and Robert and their families in Nashua.

N. H. and Lowell, Mass. on Memorial Day... Congratulations to John Davis on his recent victory in the ICW elections.

Celeste Beliveau spent her vacation in Canada... A cordial welcome is extended to Stella Zieminski who is a new Check Inspector in our department... Both Arthur "Flash" Racette's sister and Dot Racette's niece made the headlines recently. Jeanne Racette (Flash's sister) performed on the "Teen Age Barn", Friday, May 23rd. She did a pantomime and did a wonderful job of it. Jeanne Dupras (Dot's niece) was chosen queen of the Senior Prom at St. Joseph's High School on May 23rd. Jeanne is a senior and is as pretty as a picture. We don't blame both of you one bit, for being proud and happy about their good fortune... While we're on the subject yours truly, Emily, might as well put in her 2c worth too. Her brother-in-law Benedict Polak (husband of the former Janet Wlodyska, formerly of Pulse Transformer) was recently promoted at the G. E. He has been appointed manager of Welding and Machine Shop operations... Say, Priscilla Greenlaw, how come you rate a fan, you didn't have it very long. About 15 minutes or so. What happened?

Some class that Roy Cook has in his new car, a grey and blue Oldsmobile... Many thanks to Marion Sherman who wrote my LOG news last month and Dorothy Lewis who helped with the information. A job well done... Dorothy Lewis motored to Montreal, Quebec City, and Northern Maine on her vacation. Jack Faustini spent his at home... Hazel Russell spent the weekend of May 24th in Manchester, N. H. visiting her daughter Jean, who was a former co-worker... Rita Cooper went to Providence, R. I. where her son, Robert, was a Godfather to his new cousin, at his christening... Welcome back to Carole Barslow, who was laid off, and Harold Love, who was working on Brown Street. We are also pleased to have Bernadette Richmond back after two weeks of illness... We wish Ivis Lewis good luck with her new job in the engineering office... We are glad to see that Dick Maynard hasn't forgotten his old friends and comes up to visit us from the Control Lab... Donna Marie Segala, five year old daughter of Frank Segala appeared on Freddie Frichoffer's show on June 17th.

David Beighley walked into work same as usual, he thought, until one of his fellow workers noticed that David was wearing two different shoes. On one foot he had his Sunday shoe and on the other his work day shoe. What day was it, Dave?... It's au revoir to Mary Mazza, Bill Champagny and Donald Bourdon. These three were transferred to Electric Shop. We are sorry to see you go and wish you luck in your new department... Now and then we hear from our former workers with pleasure. John Begiebing who recently requested duty with the Armored Corps in Germany may be happy to know we all wish him the best of luck... The latest word from John Adams is "Four score and seven years ago, chocolate milk was invented". For some reason, the letter stopped at this point... Reward: To person or persons inventing a corn-bog pipe detector. Must have range of 10 miles. Will solve serious morale problem in T. E. Dept.

Our farewells go to James Galbraith who is leaving Sprague Electric. A stag party was given in his honor at Taconic Park where he was presented a film editing machine for movies. We'll all miss you Jim, but we hope you will be happy with your new position and surroundings... Good luck to Jim Drummond who starts his new job in the Sales De-

partment, she was bathing in the pool below. What a life! Incidentally her son-in-law had the honor of being in second place in the ski meet while there... Phyllis Lapine, poor lass, spent her vacation moving, and occasional trips to nearby cities. We hope you had a little rest, anyway Phil... Have you ever heard of a nail race, Daisy Kuczenski and yours truly are really having a tug of war to see who can grow our finger nails the longest. So far it seems to be a tie, huh Daisy?... Congratulations to Yvonne and Lawrence Carlisle on their 23rd wedding anniversary... Happy birthday greetings go to Don Berger, Daisy Kuczenski and Yvonne Carlisle... Heat Seal

by June Rock

Many things have happened since my last writing in the LOG. Agnes Jolin has returned to work after a long siege of illness. We are all glad to see you and hope you are here to stay. Bea Boccagni was back with us for a short time and is now laid off again. Gouch Morin went on vacation May 18 for a week. Ken Suprenant can be seen most every night working around the house. Julia Cirillo was chief cook and bottle washer when her daughter Frances went to New York for the weekend. Bea Boccagni and myself went calling on one of our former co-workers Rachel Filiault, a nice time was had by all. Rachel showed us movies taken of all the gang in Heat Seal.

Flash No. 1—Beauty Notes: Vishy (Alfreda Van Nordroff) Wisniewski has a new style hair cut. We haven't found a good name for it yet—but we have for her—"Alfreda"! Or would you prefer "Heidi"? Flash No. 2: Vacation Time: Recent vacationists were Mary Esposito, Dorsey King, Charles Dean and Stanley Osizlo. We know they all enjoyed their rest. Flash No. 3: Knick Knacks: Many of the girls have been picking up cute little knick-knacks for their homes lately. Not to be outdone, Clara Shakar decided to buy a few. She picked out a couple of boy dolls after careful scrutiny. Not realizing that you have to handle these fragile doo-dads with tender, loving care, she was really quite disturbed, when she opened the package up, and showed the girls her two headless boy dolls. Never mind Clara, we all learn the hard way! Flash No. 4: Money Matters: Steve Murach is always losing money in the coke machine. However, Joe Allard walked by this same machine one day, and nickels began flying out of the slot at him. He cupped his hands, and soon they were filled with the coins. He had hit the jackpot. Of course he contacted the coke man, and paid him off. What is the secret of his success? But Joe wasn't so successful a few weeks later. He tried cutting his fingernails with his lawn mower, and ended up with a couple of chewed up fingers. Flash No. 5: Music—To everyone who has an ear for really good music, it would be well for you to watch with interest the future growth and development of Mary Richardello's son "Ronnie". Ronnie is 14 years old plays the accordion and is a student at the Mennin School of Music in Pittsfield. A few weeks ago he visited Carnegie Hall in New York with his teacher to watch a concert in which many famous artists played. The following week on May 23rd he played several numbers in a concert given in Holyoke, Mass. in which the famous Galla-Rine appeared as guest star. Ronnie received tremendous applause,

and is scheduled for four concert appearances this summer. Mary and Nick have every right to be proud of Ronnie and we shall all be watching his progress in the future. Good luck, "Ronnie"! Question Corner: 1. Why does Miles O'Grady run to the window almost every day to wave at some passers by? Because it's his wife and son taking their afternoon stroll. 2. We hear that Ed Clifton ran out of gas in the middle of East Main Street Hill lately. What happened Ed? 3. We also hear that Ed Suthers took a cold dip in the Deerfield lately. What a rude awakening! 4. Why is Bob Delisle called "The Dreamer"? 5. We've heard that Terry Blake has the title of "Machine Wrecker"—and we can well understand why! She goes through three or four machines a day. One never knows where she'll be working next! 6. We wonder why Marjorie Callahan doesn't buy herself a tool kit. She's forever looking for some kind of implement to fix her machine! 7. Ask Elaine LaBonte why she has to eat spinach regularly? Everyone else takes vitamins—but she eats spinach!

Congratulations are in order for these four youngsters who made their first communion, Michael Lavariere, grandson of Virginia Delisle; Colleen Mulcahy, granddaughter of Betty Battersby; Robert Sullivan, nephew of Jeanette Cady and Stephen Abuisi, nephew of Lucy Kenny. Arthur Cardinal enjoyed his vacation and had a nice visit with his daughter, Sister May Emma of the Sisters of St. Anne in Lynn, Mass. Alida Heath's son, John is getting along fine after a foot operation. Bob Hamilton spent Memorial Day weekend in Springfield visiting relatives and he also had a nephew that took his first communion. Mike Morin won two trophies at the bowling banquet and Bob Hamilton won a fishing pole. Stella Beauchamp is spending three weeks in Albuquerque, New Mexico visiting her brother and his family. Dom Pisano, Joe Moreau, Mike Morin, Fran Dargie and Harry Duffy went to see the Red Sox and Detroit game in Boston but got rained out, but all in all the boys had a good time. Joe Moreau just can't seem to get to a ball game without getting rained out. What's-a-matter, Joe?

Advertising

by Janice Harriman

A new precedent was established in the annals of the Sprague Products Company when the girls of the Advertising Department attended a convention and the men stayed behind to hold the fort. Ah! what a wonderful week was that of May 19. The May Parts Show was in full swing and we had a gala time in good old Chi. We left Friday at 3 p.m. with fond farewells from Sid, John and Lloyd. We boarded the New England States train at Pittsfield and settled down in the club car. RELAX! was our cry until 8 o'clock when we went to the dining car for a delicious steak dinner. Comrades Ozolins and Zauls entertained with some risqué stories about the Russkies. Sleepy Goodermote re-

tired to her roomette, shared by Corky Chenail, and bottles Cyr. at her usual bedtime hour—9 p.m. Upon our arrival in Chicago, we lazed around the lounge of the Conrad Hilton until Show time. Booth duty was assigned to A. M. Barbeau and P. M. Sadow. Harri Harriman was in charge of the suite and everything went off like clockwork. The rest of our group invaded the shops and beauty salons of Chicago, forgetting that we were a part of the Show. Mac McGovern called the office several times during the week to see if the men were keeping the home fires burning. Of course, we loaded them up with work before we left so as to insure a minimum of goofing. Monday, we arrived back in North Adams, well and happy, with a box of cigars for the boys as a token of our appreciation. Needless to say, this was our first and last trip to any convention. We'll have to admit that we didn't do half as good a job as the boys but then we had other things on our minds—clothes, food, new styles, food, men, food, plays, food, etc. (end of dream)

General Accounting

by Jan and Sid

Vera Uberti and Geneva Pratt spent a weeks vacation at Washington, D. C. Lee Cimometti spent her two weeks at home spring cleaning. "Nan" Price is beginning to count the days until Carl will be home. Let's see it isn't too much longer, is it Nancy? Although there is still about 6 months until Christmas, Lee Cimometti already has her list made out. We hear a telephone heads that list. What is this about Lucille DiLorenzo turning domestic? We hear your cooking is pretty good, exceptions of course. Don't lose faith Lucille practice makes perfect, still holds true. WANTED—just one peaceful uninterrupted coffee break for Jan Trozzi. Girls that's not asking too much is it? Congratulations to Bunny Wegryzn who has been married a whole year. She celebrated her birthday and anniversary the same day. A cake was presented to her by the girls.

Ceramics

by Ida Gigliotti and Lee Grillon

It's nice to have Olive Pelletier back with us after being on sick leave, we missed her. Congratulations to Mr. and Mrs. Richard Dean on the birth of a son on May 16th. Josie the proud mother worked with us in Ceramics. Lee Grillon was the surprised recipient of a delicious birthday cake from Theresa Paquin and proceeded to give us added calories by passing it around. Gerry Coyne went to New York and came back with a box of chocolate covered cherries. John Andrews favorite sweets, and you wonder why we're gaining weight. We wish Lee Grillon a happy birthday and of course Gerry should go to the city more often. Congratulations to Jean Ferris on her birthday and, that's all the information on the subject that she'll give out. Vacation time is at hand and Dover Owens has already enjoyed his two weeks. Jane Dobbert is back after being laid off, it's nice to have Jane working on the day shift with us. We were sorry our association with Helen Pietras was of short duration, for it certainly was a pleasure working with her. Our very best wishes to her on her new job. It certainly is nice to be back after being out on sick leave, I missed you all and many many thanks for the cards, gifts and the kindness extended to me in so many ways which made convalescing more pleasant for me. Ida.
